Seeking for a specific skin tone shade?

Any nude color is possible with Sumicos Yellow LHM 2215C.

Sudarshan has developed the highest purity grade of yellow iron oxide: Sumicos Yellow LHM. It will enable you to achieve several shades of nude for 'youthful, natural look' formulations or simply add an ultimate, satiny feel to your products. In personal care products, the sunny hue of the Yellow LHM gives its tawny tint in all kinds of formulations.

Bare it All:

People are looking for foundations that are very skin-like and it's not 'sitting on top' of the skin. Sudarshan has developed a silky smooth foundation that quickly absorbs into the skin with minimal blending, and luminosity lasts all day. Check out the brand new formulation of the liquid foundation formula using Sumicos Yellow LHM 2215C. Samples and NPD kits are available.

Formulation Guideline Silky Smooth Foundation: SU-55F-04

Phase	Ingredients	INCI Name	%
A	Aqua	Aqua	Q.S. 100
	Disodium EDTA	Disodium EDTA	0.05
	Xanthan Gum	Xanthan Gum	0.20
	Glycerine	Glycerine	2.00
	1,2-Propanediol	1,2-Propanediol	2.00
B	Softemul-165 ¹	Glyceryl Stearate (and) PEG-100 Stearate	3.50
	Monebat-S1802 ²	Steareth-2	1.50
	Emulsifying Wax	Cetearyl Alcohol (and) Polysorbate 60	2.00
	Cetyl Alcohol	Cetyl Alcohol	1.00
	Octyldodecanol	Octyldodecanol	3.00
	Shea Butter ³	Butyrospermum Parkii (Shea Butter)	3.00
	Imex 3/9280 ⁴	CCTG / MCT 60:40	2.00
C	Crodamol IPM ⁴	Isopropyl Myristate	5.08
	Titanium Dioxide	Titanium Dioxide (CI 77891)	7.19
	Sumicos Yellow LHM (2215C) ⁵	Hydrated Iron (III) Oxide (CI 77492)	2.56
	Red Iron Oxide	Red Iron Oxide (CI 77491)	0.10
D	Novemer EC-2 ¹	Sodium Acrylates/Beheneth-25 Methacrylate Crosspolymer (and) Hydrogenated Polydecene (and) Lauryl Glucoside	0.50
	Argan Oil ¹	Argania Spinosa (Argan) Kernel Oil	1.00
E	Silsoft Silicone Gef ¹	Cyclopentasiloxane (and) Cetearyl Dimethicone/Vinyl Dimethicone crosspolymer	2.00
	Vitamin E	Tocopheryl Acetate	0.50
F	Euxyl PE 9010 ¹	Ethylhexylglycerine and Phenoxethanol	0.90
	Earthen 7241 ¹¹	Perfume	1.50
	Citrus Fresh 67142A ¹¹	Perfume	1.50
Total			100

Suppliers:

- Mohini Organics 2. Gustav Heess GmbH 3. InterMed Esters Sdn. Bhd. (Malaysia)
- Croda India 5. Sudarshan Chemical Industries Limited 6. Lubrizol Advanced Materials Inc. 7. Katyani Exports 8. Momentive Performance Materials 9. Schülke & Mayr 10. Oriental Aromatics Pvt Ltd

Procedure:

- Add ingredients of Phase A (Xanthan gum and Glycerine) in Main Vessel (MV) and mix well
- Add other ingredients of phase A in MV and mix slowly under constant stirring
- Heat MV to 70°C
- Add all the ingredients of Phase B in a Side Vessel (SV1) and heat it until melt
- Add all the ingredients of Phase C in Side Vessel (SV2) and make its dispersion
- Add Phase C in (SV1) and heat it to 70°C
- Add SV1 content to MV at 70°C with constant stirring. Ensure temperature of both the phases is maintained at 70°C while mixing
- Make sure proper mixing is done and pigments are uniformly mixed in the system
- Cool down MV to 60°C and add Phase D
- Cool down MV to 45°C or below
- Add Phase E to MV followed by Phase F
- Once emulsion is properly mixed, keep it aside for 24 hr and check parameters
- pH = 6.2-6.5, Viscosity: 30000 - 35000 cps at 5rpm, spindle: 55
- Stability: Passed stability at 45°C for 12 weeks & 50°C for 8 weeks

The 'Season of Love' is here again! The Insta feeds are already filled with Valentine's Day abundance . . . Whether it is achieving a trendy makeup look OR getting ready for this Valentine's season, Sudarshan helps to give you a perfect fit formulation for every occasion. Whether you're looking for something classic & sophisticated or something bright & fun, there's a shade for everyone. Check out our full range of Valentine shades below:

Rust

Puce

Cashmere Rose

Haute Red

It's both sweet and vibrant, so it's perfect for any occasion—from a simple office lunch date to an evening out with your loved one. And it's also super easy to put on any kind of formulation. Reach out to your regional sales manager to grab it soon.

Celebrating Black History Month

"He who is not courageous enough to take risks will accomplish nothing in life." —**Muhammad Ali**
