

Introducing flawless face glass luminizer by Sudarshan

Achieve the coveted glass skin look with our innovative formulations. We are thrilled to present four exquisite concepts: **Silver, Gold, Orange, and Pink**. Each concept offers a unique twist on the glass skin trend, allowing your customers to embrace their individual beauty in stunning ways.

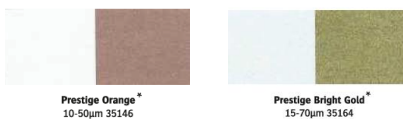

Silver Concept: Refined and Polished

Experience a smooth and flawless finish with our key ingredients, **Sumicos Silk Silver Mist SM122**, **Sumicos Polar Mist SM132** and **Sumicos Crystal Shimmer SM142**. These ingredients work harmoniously to create a captivating glass skin effect.

Orange Concept: Unconventional Beauty

Emphasize your bold and stunning beauty with our **Orange** concept. **Prestige Orange 35146** and **Prestige Bright Gold 35164** infuse captivating bright and pearly effects into the formulation.

Formula application on hand

Gold Concept: Mesmerizing Glow

Enhance natural beauty and radiate a golden glow with our **Gold** formulation. The combination of **Sumicos Silk Gold Mist SM222**, **Sumicos Gold Mist SM232**, and **Prestige Gold Glow 35382** creates a dewy and luminous complexion suitable for all skin tones.

Pink Concept: Ultra-Feminine Romance

Celebrate femininity and romance with our **Pink** concept. **Prestige Bright Red 35166**, **Prestige Red 35147**, and **Prestige Sparkling Red 35182** create a dreamy and ethereal effect.
