Higher Purpose

- Spiritually fulfilling
- Socially just
- Environmentally sustainable

Sudarshan is a Company that believes that just like the employee, the organization also is a living organism. Hence the Company has a Higher Purpose, which is **'Growing Together'**, where every endeavour we undertake should be **Spiritually Fulfilling, Socially Just and Environmentally Sustainable**.

'Socially Just' is lived through our CSR activities called **SUDHA**, which stands for 'Sudarshan's Holistic Aspirations'. It is a movement by Sudarshan to involve its people and community to create a better living standard & environment for ourselves and the people around us. It is an aspiration to create holistic awareness that matches with the vision of Sudarshan. It has been started to impact the lives of people not only in our community but the outside world. It is also linked to the higher purpose of the organisation of Growing Together.

There are several initiatives taken to achieve this Higher Purpose of the organization. For the **'Spiritually Fulfilling'** part, we have an initiative of **'Spiritually Fulfilling Life@Sudarshan'** which was started keeping in mind the importance of having a happy & focused workforce for achieving overall excellence. Also there is a basic human nature to find its spiritual side and enhance it for a better quality of life. Both personal and professional requirements gave birth to this initiative forming a foundation to the journey of being centered.

For this initiative, we have tied up with the corporate arm of The Art of Living' organisation, called 'APEX-Achieving Personal Excellence' and designed a customised program for Sudarshan in line with our Vision, Mission & Values.

Our Environment, Health & Safety function takes care of the **'Environmentally Sustainable'** part. Being a Chemical Company we are very careful that we do not pollute the environment around us. We have a large ETP plant to ensure the effluents are treated properly and we do not release any toxic chemicals outside in the environment. We are working on getting in greener technologies and move towards zero discharge plant.

Sudha's activities are divided in five Major Focus areas of Work:

- Women Empowerment
- Education
- Community Development
- Environment
- Health

A glimpse into Sudarshan's Human Resources function - F.Y. - 2015-16

Overview

All companies have the resources available equally, what makes the difference and makes one stand out is the kind of Human Capital it has!

We at Sudarshan value our employees a lot and believe in the overall development and growth of people. To ensure this we have several initiatives, friendly processes and fun filled events throughout the year. Due to our efforts we have made it to the **Top 50 - Dream Company to work for**. The four main aspects that made Sudarshan a Dream Company are as follows:

- 1. Our Best in Class Practices*
- 2. High level of Employee Engagement*
- 3. Company that cares*
- 4. Several Learning & Growth opportunities*

Employee Engagement is a very important aspect when we want to make a Dream Company to work for. Hence Human Resources has a crucial role in identifying the pulse of the organisation and driving various initiatives accordingly. We take care that these initiatives are best

in Class and as per industry standards. We have host of world class practices like our PMS process, Induction & On-boarding, Living Sudarshan Culture, Suda Ratna, which is a celebration of promotions of employees in the Company.

We believe in continuous growth and improvement, hence Learning & Development has always been a very important part of Sudarshan's journey. We have several initiatives on Learning as per the requirement of the organization like Behaviour trainings, Technical trainings, Leadership trainings, Supervisory trainings, Value & Culture trainings. Apart from this, we also nominate our employees for various external trainings and programs. Learning & growth is incomplete without Reward & Recognition (R&R), hence we have a very strong R&R program, which includes Leader of the Year, Long Service Award, Good Job Done cards etc.

Sudarshan believes that its employees are its most valuable asset and their well-being is the Company's well-being. There are several initiatives like Fit Sudarshan, Fun@Work and People Connect etc. that give our employees a feeling of being cared.

All employee get together

Some highlights of the F. Y. - 2015-16

SUDA CONNECT – As part of our culture, an 'All Employee Annual communication Meet' was celebrated for the second year to communicate the Company's performance and objectives to employees at all levels by the top management. The event also provided an opportunity to reward exemplary performances at individual level based on meritocracy. Employees with long service in the Company were also felicitated during this occasion with 'Long Service Awards' for various milestones reached starting from 10 years to 35 years. The culture of transparency was demonstrated through a question answer session where employee questions were responded by leadership team of the Company. Employees demonstrated their talents through a cultural programme where the organisation's new Mission and Values were launched. The meet established a perfect blend of communication and celebrations.

We had our Chief Guest Mr. Bhushan Gagrani, CEO, MIDC Maharashtra, talk to us on 'Collaboration of Industry and Government towards Industrial Growth'. Among other eminent speakers we also had Mr. Pradeep Dhoot, Director of Videocon Group sharing his views on 'Emerging India leads Sudarshan Growth and Impact of Spirituality in business'. It was a grand event and was successfully executed by the internal Sudarshan Team.

SUDA RATNA

SUDA RATNA – We have a special event to honour our employees who get promoted every year. This event is organised to felicitate them along with their Spouses and make the event special for them. This also shows the appreciation of the hard work and dedication put in by the employees and promotes meritocracy.

Fit Sudarshan

Sudarshan believes in the well being of its employees and hence we have a Fit Sudarshan initiative under which we have several activities as follows:

- Annual Health Check – up
- Canteen Management with Healthy menus
- Knowledge session by Dr. Manisha Bandishti
- Health Awareness Newsletter, on various health matters
- Healthy Recipes, for employees to share at home as well
- Run Sudarshan, to take our fitness initiative forward and inculcate the habit of running in employees for fitness, we have started another

program called Run Sudarshan. Through this, we are motivating our employees to run on a regular basis, which is the best and freely available exercise which everyone can do. To have more and more employees participate in running, we have also organised **Roha Minithon**, which is a huge event of 10 KM run at Roha. In this event not only employees but their family members are also invited to participate. Amit Seth, the international marathon runner and writer of Dare to Run is our mentor. Even though this is for fitness the purpose of the run is for '**Clean Roha, Healthy Roha**' which is a CSR initiative of waste management in and around Roha villages. For this event the Chief Guest was Mr. Sunil Tatkare, NCP, Maharashtra State Unit President.

There are some more activities which comes under Fit Sudarshan as they help our employees to keep fit and also get covered under Fun@Work, since they are a lot of fun too!!

- **Yoga classes**, for employees who like to take it slow. The digital age has made us immobile and as a result we end up with rounded shoulders, protruded heads, upper back humps and slumped gait. Lot of employees are opting for yoga as a complete body exercis. Keeping this in mind, we have started with weekly yoga classes at all locations.
- **Sports club**, for the sporty ones who like a good game. We have various games at our Factory locations and also inter location competitions. Our Sudarshan Team also participates in the local company association matches.
- **Dance classes**, for the groovy ones with high energy. Dance is considered as a stress buster. It also helps in keeping body fit & in shape as well. A professional choreographer teaches various dance styles, the session is divided into two parts – Warm up exercise and Choreography.
- **Sudarshan Kriya**, for the more Spiritually inclined.

Fun@Work

There are various initiatives launched under employee engagement, but FUN is the most exciting part of it. We celebrate Birthdays of employees on monthly basis at every location. Fun activities like Traditional day, Sports day, Photography contest, Twin's Day, Passing the Ball, Movie screening etc. are also organised each month.

Awards

We have won as many as 10 Awards for our people centric practices. To name a few -

1. Award for Managing Health At Work(Fit Sudarshan) - World CSR Congress 2016
2. Best Organisational Development Program (VMV) - World CSR Congress 2016
3. Best HR Strategy in line with Business (PMS) - World CSR Congress 2016
4. Dream Companies To Work For- Top 50 companies - World CSR Congress 2016

Appeal for newspaper contribution

Sudarshan drives its Corporate Sustainability initiatives under the name of SUDHA (Sudarshan's Holistic Aspiration). SUDHA started the Paper Bag project way back in 2011. We started this project with 12 skilled volunteers and they trained 20 ladies in one village near the Roha plant. With this humble beginning in 2011, today the paper bag project has come a long way. Now this project has more than 150 village women who are earning their livelihood by making newspaper bags. They earn a sustainable income of approx Rs. 1,500- Rs.3,000 p.m. SUDHA's role in enabling women to earn this income is by providing news papers free of cost and by helping them in finding markets to sell these bags.

Currently we are selling 80,000 bags per month and we are looking at providing livelihood to 300 women in the year 2015-2016. As we are receiving more orders, the challenge we are facing at this juncture is shortage of newspapers. Hence, we would humbly request you all to kindly donate newspapers as this would enable us in serving the cause we are driving as an organisation.

Your contribution would serve as a dual purpose:

“Touch lives
and save the
environment”

2. THE YEAR IN RETROSPECT:

During the year under review, subdued business sentiments, combined with difficult market conditions and slowdown in global demand, posed challenges. The Directors are pleased to inform that in spite of unfavourable conditions, the Company has registered better performance in terms of growth in sales and much better performance in terms of growth in profits as compared to the previous year.

(A) FINANCIALS:

Total Revenue from operations for the year ended 31st March, 2016 aggregated to Rs. 12,201 million as against Rs. 11,132 million achieved during the previous year. Profit after tax for the year ended 31st March, 2016 was Rs. 716 million as against Rs. 424 million earned during the previous year.

Pigment sales increased from Rs. 9,578 million in the previous year to Rs. 10,656 million in the year under review. Profits for the Pigment Division for the year under review amounted to Rs. 1,637 million as compared to Rs. 1,167 million of the previous year.

Agro Sales for the year ended 31st March, 2016 amounted to Rs. 1,163 million as against Rs. 1,155 million achieved during the previous year. Profits for the Agro Division for the year under review amounted to Rs. 63 million, as against Rs. 77 million for the previous year.

Sales from other operations for the year ended 31st March, 2016, include sales generated from the Industrial Mixing business of the Company. As compared to the previous year, current year's operating margins have improved.

The Company's Indian Subsidiaries have performed well. RIECO Industries Ltd. has registered an improvement in the performance as compared to the preceding financial year. Prescient Color Ltd. continues to register good growth. The Company's overseas subsidiaries in the Netherlands and

North America continue to record improved performance.

On a Consolidated basis, the Company's Total Revenues for the year ended 31st March, 2016 stood at Rs. 14,234 Million, up by 15% as compared to Rs. 12,418 Million in Financial Year 2014-15. Net Profit Before Tax after consolidation grew by 38% to Rs. 990 Million in Financial Year 2015-16 as compared to Rs. 716 Million in Financial Year 2014-15.

(B) EXPORTS:

The Company's overseas subsidiaries have entered a consolidation phase and will play a crucial role in positioning the Company as a dominant player in the Global Pigment Industry. Revenue from Pigment exports for the year ended 31st March, 2016 amounted to Rs. 5,176 million as against Rs. 4,612 million for the previous year thereby recording a growth of 12%.

3. DIVIDEND:

During the year, the Company had declared and paid an Interim Dividend of Rs. 2.50 (125%) per Equity share (of Rs. 2 each). Your directors are pleased to recommend a Final Dividend of Rs. 0.50 paise (25%) per Equity share (of Rs. 2 each) for the Financial Year 2015-16. The Interim Dividend along with recommended Final Dividend aggregates to a total Dividend of Rs. 3.00 (150%) per Equity share (of Rs. 2 each) for the Financial Year 2015-16 as compared to the total Dividend of Rs. 1.75 (87.50 %) per Equity share (of Rs. 2 each) for the Financial Year 2014-15. The total amount of Dividend pay-out for the year would be Rs. 249.97 Million (Previous Year: Rs. 145.81 Million).

4. FIXED DEPOSITS:

The Company has accepted fixed deposits during the year under review. For details, please refer to **Annexure I**. Unclaimed deposits to the extent of Rs. 0.67 Million were outstanding as on 31st March, 2016.

5. INCORPORATION OF WHOLLY OWNED SUBSIDIARY (WOS) IN CHINA:

The Company is in the process of incorporating a Wholly Owned Subsidiary (WOS) in China primarily for sourcing raw materials locally at competitive prices. Further, the WOS will also be in a position to keep stocks of finished products and raise the invoices. The WOS will also enable the Company to service key customers in the Asia Pacific region.

6. DIRECTORS' RESPONSIBILITY STATEMENT:

In accordance with Section 134 of the Companies Act, 2013 the Directors based on the representation received from the Management, confirm that:

- i. in the preparation of accounts for the Financial Year ended 31st March, 2016, the applicable accounting standards have been followed, with no material departures;
- ii. the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of Financial Year and of the Statement of Profit and Loss of the Company for that period;
- iii. the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

ANNEXURE III

REMUNERATION POLICY

1. Purpose of this Policy:

Sudarshan Chemical Industries Limited ("SUDARSHAN" or the "Company") has adopted this Policy on appointment and remuneration of the Directors, Key Managerial Personnel (KMP) and Senior Management (the "Policy") as required by the provisions of Section 178 of the Companies Act, 2013 (the "Act") and the provisions of SEBI, Listing Regulations, 2015 read with part D of Schedule II thereto.

The purpose of this Policy is to establish and govern the procedure applicable:

- (i) To evaluate the performance of the members of the Board.
- (ii) To ensure remuneration to Directors, KMP and Senior Management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.
- (iii) To retain, motivate and promote talent and to ensure long term sustainability of talented managerial persons and create competitive advantage.

The Committee should ensure that the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the Company successfully and the relationship of remuneration to performance is clear and meets appropriate performance benchmarks.

2. Definitions:

Independent Director means a director referred to in Section 149(6) of the Act and Regulation 16(1)(b) of the SEBI Listing Regulations, 2015 as amended from time to time.

Key Managerial Personnel (the "KMP") shall mean "Key Managerial Personnel" as defined in Section 2(51) of the Act.

Nomination and Remuneration Committee shall mean a Committee of Board of Directors of the Company, constituted in accordance with the provisions of Section 178 of the Act and Regulation 19 of the SEBI Listing Regulations, 2015.

"Remuneration" means any money or its equivalent given or passed to any person for services rendered by him and includes perquisites as defined under the Income Tax Act, 1961.

"Senior Management" means personnel of the Company who are members of its core management team excluding Board of Directors. This would include all members of Management one level below the Executive Directors, including all Functional Heads.

Words and expressions used and not defined in this Policy, but defined in the Act or any rules framed under the Act or the Securities and Exchange Board of India Act, 1992 and Rules and Regulations framed there under or in Regulation 19(4) - Part D of Schedule II of the SEBI Listing Regulations, 2015 or the Accounting Standards shall have the meanings assigned to them in these regulations.

3. Composition of the Committee:

The composition of the Committee is / shall be in compliance with the Act, Rules made there under and SEBI, Listing Regulations, 2015, as amended from time to time.

4. Role of the Committee:

The Committee shall:

- Formulate the criteria for determining qualifications, positive attributes and independence of a Director;
- Identify persons who are qualified to become Director and persons who may be appointed in Key Managerial and Senior Management positions in accordance with the criteria laid down in this Policy;
- Lay down the evaluation criteria for performance evaluation of Independent Director and the Board;
- Recommend to the Board, appointment, remuneration and removal of Director, KMP and Senior Management;
- Devise a Policy on Board diversity.

5. Appointment and removal of Director, KMP and Senior Management:

5.1 Appointment criteria and qualification:

The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director in terms of Diversity Policy of the Board and recommend to the Board his / her appointment. For the appointment of KMP (other than Managing / Wholetime Director) or Senior Management, a person should possess adequate qualification, expertise and experience for the position he / she is considered for the appointment. Further, for administrative convenience, the appointment of KMP (other than Managing / Wholetime Director) or Senior Management, the Managing Director is authorised to identify and appoint a suitable person for such position. However, if need be, the Managing Director may consult the Committee / Board for further directions / guidance.

5.2 Term:

The Term of the Directors including Managing / Wholetime Director / Independent Director shall be governed as per the provisions of the Act and Rules made there under and SEBI Listing Regulations, 2015, as amended from time to time. Whereas the term of the KMP (other than the Managing / Wholetime Director) and Senior Management shall be governed by the prevailing HR policies of the Company.

5.3 Evaluation:

The Committee shall identify evaluation criteria which will evaluate Directors based on knowledge to perform the role, time and level of participation, performance of duties, level of oversight, professional conduct and independence. The appointment / re-appointment / continuation of Directors on the Board shall be subject to the outcome of the yearly evaluation process. Framework for performance evaluation of Independent Directors and the Board is as per **Annexure A** to this Policy.

5.4 Removal:

Due to reasons for any disqualification mentioned in the Act or under any other applicable Act, Rules and Regulations there under and / or for any disciplinary reasons and subject to such applicable Acts, Rules and Regulations and the Company's prevailing HR policies, the Committee may recommend, to the Board, with reasons recorded in writing, removal of a Director, KMP or Senior Management.

6. Remuneration of Managing / Whole-time Director, KMP and Senior Management:

The remuneration / compensation / commission, etc., as the case may be, to the Managing / Whole time Director will be determined by the Committee and recommended to the Board for approval. The remuneration / compensation / commission, etc., as the case may be, shall be subject to the prior / post approval of the Members of the Company and Central Government, wherever required and shall be in accordance with the provisions of the Act and Rules made there under. Further, the Managing Director of the Company is authorised to decide the remuneration of KMP (other than Managing / Wholetime Director) and Senior Management, and which shall be decided by the Managing Director based on the standard market practice and prevailing HR policies of the Company.

7. Remuneration to Non-executive / Independent Director:

The remuneration / commission / sitting fees, as the case may be, to the Non-Executive / Independent Director, is in accordance with the provisions of the Act and the Rules made there under for the time being in force or as may be decided by the Committee / Board / Members. An Independent Director shall not be entitled to any stock option of the Company unless otherwise permitted in terms of the Act and SEBI Listing Regulations, 2015, as amended from time to time.

Annexure A to Remuneration Policy

Framework for performance evaluation of Independent Directors and the Board

As per the provisions of Listing Regulations, 2015, the Nomination and Remuneration Committee (the "Committee") shall lay down the evaluation criteria for performance evaluation of Independent Directors and the Board. Further, in terms of Listing Regulations, 2015, the Board is required to monitor and review Board Evaluation Framework. This Framework shall contain the details of Board's self-evaluation framework (including all Committees of the Board and individual directors).

The Board is committed to assessing its own performance as a Board in order to identify its strengths and areas in which it may improve its functioning. To that end, the Committee shall establish the following processes for evaluation of performance of Independent Director and the Board:

1. Once a year, the Board will conduct a self-evaluation. It is the responsibility of the Chairman of the Board, supported by the Company Secretary of the Company, to organise the evaluation process and act on its outcome;
2. The Committee shall formulate evaluation criteria for the Board and the Independent Directors which shall be broadly based on:
 - 2.1 Knowledge to perform the role;
 - 2.2 Time and level of participation;
 - 2.3 Performance of duties and level of oversight; and
 - 2.4 Professional conduct and independence.
3. The Board / Independent Directors shall be asked to complete the evaluation forms and submit the same to the Chairman.

SECRETARIAL AUDIT REPORT

SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2016

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Sudarshan Chemical Industries Limited
162 Wellesley Road, Pune - 411 001
Maharashtra, India

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Sudarshan Chemical Industries Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the Financial Year ended on 31st March 2016 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the Financial Year ended on 31st March 2016 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable for the Audit Period -
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (d) Other laws applicable specifically to the Company namely:
 - (i) Manufacture Storage and Import of Hazardous Chemical Rules 1989 as amended;
 - (ii) Environment Protection Act, 1986;
 - (iii) Public Liability Insurance Act, 1991 as amended;
 - (iv) Chemical Accidents (Emergency Preparedness and Response) Amendment Rules, 1986;
 - (v) Gas Cylinder Rules, 1981
 - (vi) Chemical Weapons Convention Act, 1993
 - (vii) Explosives Act, 1889
 - (viii) Insecticides Act, 1968

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India
- (ii) The Listing Agreements entered into by the Company with Stock Exchange(s) and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines etc.

I further report that The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. No changes in the composition of the Board of Directors took place during the period under review.

Adequate notice is given to all directors in respect of schedule of the Board Meetings. Agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views if any are captured and recorded as part of the minutes. During the year under Audit no specific instances of dissent have been recorded in the Minutes .

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I report further that there are no specific events / major decisions or activities undertaken in pursuance of the above Laws, Rules and Regulations, Guidelines, etc., during the Financial Year 2015-16, having a major bearing on the Company affairs.

MANAGEMENT DISCUSSION AND ANALYSIS - 2015-16

Overview

Global growth again fell short of expectations in 2015-16, slowing to 2.4 percent from 2.6 percent in 2014-15. The disappointing performance was mainly due to a continued deceleration of economic activity in emerging and developing economies amid weakening commodity prices, global trade and capital flows. It is estimated that global growth is projected to edge up, but at a slower pace than envisioned and is expected to reach 2.9 percent in 2016 - 17 and 3.1 percent in 2017-18. However, there are substantial downside risks, including a sharper-than-expected slowdown in major emerging and developing economies or financial market turmoil arising from a sudden increase in borrowing costs that could combine with deteriorating fundamentals and lingering vulnerabilities in some countries.

Indian Economy remained more or less insulated from the after effects of global turmoil in an otherwise favourable external environment, particularly the sharp decline in the international prices of oil, metals and food. Growth has accelerated, inflation has declined, the current account deficit has narrowed, and external reserves have increased.

Nevertheless, the positive economic outlook for 2016-17 is subject to both external and domestic risks. A rapid increase in oil prices is a key risk, and global growth remains constrained, particularly in several of India's trading partners. A tightening of US monetary policy can have a disruptive impact on India's exchange rate and financial markets. While the Reserve Bank of India has built reserves to reduce India's external vulnerability, the risk remains, warranting vigilance.

Business of the Company

The Company is a globally renowned player in the Pigment Industry and manufactures a wide range of Organic and Inorganic Pigments, Effect Pigments, Agro chemicals and other products with facilities at Roha and Mahad, Dist. Raigad, Maharashtra. The Company has also set up an ultra modern R&D Facility at Ambadvet (Sutarwadi), Taluka Mulshi, Dist. Pune, India.

Financial and Operational Performance

India's macro-economic scenario remained under stress during the Financial Year 2015-16 leading to subdued demand and investments. Delayed decision-making due to the uncertain economic conditions further stalled major infrastructure and power projects. The general business sentiment has, since, improved marginally and there is considerable hope that steps will be taken to create an environment conducive to business and industry. Initial steps taken by the Government have been positive, however it will take some time before projects put on hold in the past are cleared and start contributing to the economic growth. Overall, the macro-economic situation is still challenging and policy measures taken by the new Government are yet to positively impact business.

The Company's revenues have been adversely impacted on account of unfavourable market conditions. In spite of these adverse market conditions, the Company has done reasonably well in terms of sales. Of the total revenue of Rs. 12,072 Million achieved during the year, 43% is contributed by exports of Pigments. The Financial highlights for the year ended 31st March 2016 are as follows :

(Rs. in Millions)

Particulars	F.Y. 2015-16	F.Y. 2014-15
Total Revenues	12,201	11,132
Revenues from Exports	5,176	4,612
PBDIT	13.97%	12.22%
PAT	716	424
ROCE	18.52%	13.79%
Earnings per share	10.35	6.13
Book Value per share	47.22	40.48

The Company's overseas subsidiaries viz. Sudarshan Europe B.V., Sudarshan North America Inc. and Indian Subsidiaries viz. Prescient Color Limited and RIECO Industries Limited have posted improved results in the year under review as can be seen from the Company's consolidated financial results.

Safety of operations and protection of people and environment is one of the important objectives of the Company. Compliance with laws, international standards, internal regulations and code of conduct is a basic requirement. The Company commits itself to ethical and sustainable operations and development in all business activities according to responsible care and its own code of conduct. The Company strives for a business culture of continuous improvement as well as for sustainable competitiveness to realise the best performance in ethical standards. The Company constantly strives to meet and exceed expectations in terms of the quality and safety of its products and places significant importance on reducing environment impact.

The certification of ISO 9001 and ISO 14001 and OHSAS – ISO 18001 from BVQI is a testimony to the Company's commitment towards quality, safety and sustainable environment friendly approach. The Roha and Mahad factories of the Company have received British Five Star Rating which is a testimony to strenuous efforts taken by the Company to achieve operational excellence in Environment Health and Safety. The Company has also well established R & D laboratories recognized by the Department of Scientific & Industrial Research (DSIR). Also our Labs are ISO 17025:2001 certified by the National Accreditation Board for Testing and Calibration Laboratories (NABL), Government of India and have received recognition for a further period of 3 years i.e. upto 31st March, 2019.

Segmental overview

In accordance with Accounting Standard (AS) - 17, the Company has two reportable business segments, Pigments and Agro chemicals.

Pigment business of the Company mainly comprises the manufacturing of Azos, Blue and Green, High Performance Pigments, Effects, Pigment Preparations and Inorganics.

Agro chemical business of the Company consists primarily of Products which are generic in nature.

Segment I – Pigments

1. Industry Structure and Developments

The Pigment Industry is critical for the economic development of any country, providing products and enabling technical solutions in virtually all sectors of the economy. The industry has changed over time to meet the dynamic needs of the emerging economy. Strong economic growth and rise in per-capita income has caused steady increase in demand for Pigments. The industry has moved from a low-growth and regulated environment to an increasingly mature core industry.

The Pigment Industry worldwide is one of the dominant industries with collective revenues of over USD 5.5 billion. The growth of the Pigment Industry has more or less moved in tandem with the growth of global economy. Growth in per capita income leading to growth in per capita spending fuels demand for Pigments ranging from paints to plastics to polymer, ink to cosmetics and more is encompassing every sphere of life.

The Company is the leader in the domestic Pigment manufacturing Industry with a 35% market share. The Company manufactures a wide range of Organic, Inorganic and Effect Pigments catering to domestic and export markets and mainly paint, inks, plastics, cosmetics, fashion accessories and automobiles as the user industries. The Company's Pigments are exported to most of the discerning markets in Europe, America and Asia. The manufacturing activity is carried out at Roha and Mahad factories with R&D facilities at Ambadvet (Sutarwadi), Taluka Mulshi, Dist. Pune.

There is an excess capacity for the manufacture of commodity pigments worldwide. This results in intense price competition in the commodity segments market. The China factor also continues to affect the Pigment Industry.

2. Opportunities and Threats

Although small in size, the Indian Pigment industry is a dominant player in the Indian Economy. Per capita consumption in each of its industry segment is very low compared to other countries. India, a leader in

knowledge power has vast experience in handling customer demands, owing to which opportunities exist for rapid export growth by development of innovative products meeting high standards of quality. This can be possible by creating the brand value “**Made in India**”.

Industries in the unorganised sector account for a large share in production of Pigments. Any lapse in the quality of products manufactured and non-compliance of pollution and environment related norms set up by the government might have an adverse impact both in local and upcountry markets.

The growing domestic housing needs hold promise for varied Pigment applications. Automotive paints and personal care segment on the back of increasing disposable income of a growing middle class provides opportunity for growth. Inks and plastics market also holds lot of promise as the paper and printing industry is poised to record growth.

China at a feverish pace has put up massive Pigment based chemical projects and complexes that not only meet their own demand but also global demand that will be emerging for the next several years. Because of this, China not only controls the market but also the pricing policy. Indian Pigment industry has threats of dumping at rock bottom prices by developed economies like China due to meltdown in their countries and their ability to sustain due to large capacities. Already, import prices of a wide range of basic chemicals have crashed substantially in the last few months. With strong in house technology support and efficient development facility already available on site, your Company is capable of exploiting the opportunities and contributing positively in increasing its market base.

The Pigment Industry has to address the issues of REACH Compliance as also issues relating to clean and green environment apart from the competitive pressure from China and other developed markets.

Escalation of crude oil prices responsible for spiraling and cascading price of inputs and the volatility of the Rupee vis-a-vis the US Dollar is a matter of concern and needs to be tackled if the Indian Pigment Industry has to remain competitive. Another matter of concern is the gestation period involved in evaluation and acceptability of the Company's Products by overseas customers and the costs associated with it, since on several occasions proposals do not get converted into firm orders.

3. Performance

The Pigment Division increased its sales in the year 2015-16 to Rs. 10,656 million from Rs. 9,578 million in 2014-15. Sales from exports for the year under review amounted to Rs. 5,163 million as against Rs. 4,602 million achieved during the previous year.

4. Outlook

Due to global recessionary conditions the Pigment Industry world over is passing through difficult times. The sharp fall in crude oil prices during 2015-16 triggered a massive correction in petrochemicals and intermediate prices. As the prices went for a free fall, users decided to draw on stocks. Meanwhile global demand came down. A deadly combination of these two factors coupled with adverse global environment meant a fall in production and demand for Pigments .

In view of very large capacities, countries like China may resort to dumping of products in Indian markets to the detriment of the Indian Pigment Industry. The positive factor for Indian Pigment Industry is the demand for its products that is largely driven by domestic market and considering very low per capita consumption ratio. Despite the difficult time, the Pigment Industry holds a lot of promise for India. The industry is a potential powerhouse benefitting from comparative low labour costs, excellent army of technical manpower, capabilities to research and development facilities, huge but undeveloped domestic market and potential to increase its share in global markets. Diversified product range, proactive preparedness in adjusting to demand and supply levels and aggressive marketing strategies has provided a cushion to the Company to withstand the pressure of downturn in the global Pigment Industry. The Company is gearing itself for sustaining its market position by adjusting to the market environment through improved service levels and continuous emphasis on cost management. The Company's globalization plans and its strong base in the Indian Market provides a great opportunity for growth. Also the Company's strategy of focusing among others on High Performance Pigments and specialized Azo Pigments provide a great future.

The Company's strategy of setting up sales offices to cater to European and North American Customers is expected to give a push to Pigment exports as the Company is better equipped to understand and comply with their preferences. The Company is also in the process of setting up a sales office in Shanghai, China to locally source raw materials and to cater to the requirements of Asia Pacific customers.

As a consequence of all these actions, the Company expects better results during the current year.

5. Risks and Concerns

Volatility of the Rupee vis-a-vis the US Dollar, rise in crude oil prices in India and its cascading effect on other inputs is a matter of grave concern as it negates the key advantage of competitive pricing. There is also a great deal of uncertainty regarding pricing and availability of key intermediates from China.

Compliance of REACH regulations is a time consuming and expensive proposition making penetration of the Company Pigments in the European market a challenging task.

The Company is operating in a segment dominated by multinational companies with cutting edge technologies in Pigment manufacturing. This provides an opportunity as well as an operating risk. The Company has a risk management policy in place to assess and minimize business risk, to ensure protection of the environment and enable discharging its legal requirements concerning emission, waste water and waste disposal. As a part of global policy, the relevant parameters are analyzed to minimize risk associated with protection of environment, safety of operations and health of people at work vis-a-vis regulatory requirements and Sudarshan risk management guidelines. The Company is in compliance with legal requirements concerning emission, waste water and waste disposal and accords top priority to work place safety at all its manufacturing sites.

Segment II – Agro chemicals

1. Industry Structure and Developments

As India continues to grow its economy in a greater way, its agriculture must also keep pace in improving its infrastructure, efficiency and productivity in a sustainable manner and contribute to the food security of population of over a billion. Weather fluctuations continue to affect the agriculture sector significantly. During 2015-16, the overall climatic conditions were not favourable to the entire agricultural sector. The season did not progress well as per expectations in 2015-16 due to weak monsoon. Overall, the cultivable land available was much less than the previous year 2014-15. Late rain at the end of season led to crop damage in various states. Unseasonal rains in January and February 2016 also led to crop damage.

The Agro chemicals Industry has also seen a change in the product mix owing to change in the crop pattern as also due to change in the pattern of pest formation. The average per hectare consumption of agrochemicals in India is comparatively lower than consumption in USA, Japan and other developed countries. This augurs well for the Agro chemical Industry. Rapid growth in acreage of Bt Cotton hybrids resulting in improvement in yield of cotton crop is opening new opportunities for more consumption of pesticides for the control of sucking pests and plant growth nutrients.

India being a tropical country, the consumption pattern of pesticides is tilted towards insecticides accounting for around 58-60% of the crop protection chemical market. It is followed by herbicides and fungicides at 20% and 18% respectively.

The Crop Protection Industry witnessed growing uncertainties owing to variations in the monsoon spread in some parts of the country, change in climatic conditions, fluctuation in end product prices due to variable raw material costs as also unavailability of key raw materials from China. The Industry also witnessed further slide in the demand for conventional products.

2. Opportunities and Threats

Rising costs and uncertainty in availability of some key raw materials continue to be a challenge. The exchange rate fluctuations also impact the raw material prices. Genetically modified seeds which have more self-immunity from natural adversaries pose a threat to the Agro chemical business.

Large area exists in India for agriculture cultivation. We are the 7th largest country geographically and large area is under crop cultivation. Indian Agro Chemical Industry has potential for growth considering the cost advantage as compared to that prevailing in developed countries as also considering the fact that usage of Insecticides in India on acreage basis as compared to developed countries is comparatively low. The need of the Industry is to invest in new products considering the change in crop pattern and pest formation. However, the costs associated with the development and introduction of new molecules are a deterrent to domestic agro chemical companies with low technology base and limited area of operations. The number of pesticides imported from China is also increasing.

3. Performance

During the year under review, the Agro Division achieved a turnover of Rs. 1,163 million as against Rs. 1,155 million made in the previous year. Notwithstanding the adverse business environment, the Agro Division has managed to earn reasonable profits for the year under review. The Company expects to improve performance by concentrating more on the sale of Technical and Bulk pesticides.

The Agro Chemical Industry is more than ever subjected to the vagaries of the monsoon and can impact the sale of Agro chemicals. The Company is mainly into the generic segment which faces cut throat competition from other unorganized and organized players in the Agro Chemical Industry. This may lead to stagnation in revenues and bottom line.

4. Outlook

The Company expects to improve its performance by laying more emphasis on Technical and Bulk as well as Brand Business. Notwithstanding subsisting constraints of key raw materials and difficult market conditions, the current year should end on a positive note.

5. Risks and Concerns

Increasing number of Indian Companies are registering Chinese material in India. Any change in the Chinese supply position will adversely affect Indian Agro Chemical Industry. The below expectation of a normal monsoon coupled with various uncertainties is also a matter of concern as it impacts the overall crop pattern and resultant pest formation.

Internal Controls Systems

The Company has an adequate system of internal controls and risk management. These systems enable integrity of financial reporting and adherence to guidelines defined for the Company. Internal controls are regularly reviewed by both internal and external agencies for its efficiency and effectiveness. For more details refer to the Director's Report.

Human Resource Development

The Company considers its committed and talented workforce as one of its most critical assets and key to driving sustainable performance and developing competitive advantage. In line with its business imperatives, the emphasis has been given to recruit the best talent, nurture, motivate and empower. For more details refer to the Director's Report. As on 31st March 2016 a total of 834 persons were directly employed by the Company.

CAUTIONARY STATEMENT

Statement made in this report describing the Company's objectives, projections, estimates, explanations may be "forward looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand/supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the Government regulations, tax laws and other statutes and incidental factors.

INDEPENDENT AUDITORS' REPORT

To the Members of Sudarshan Chemical Industries Limited

Report on the Standalone the Financial Statements

1. We have audited the accompanying Standalone Financial Statements of Sudarshan Chemical Industries Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2016, and the Statements of Profit and Loss and Cash Flow for the year then ended, and a summary of the significant accounting policies and other explanatory information

Management's Responsibility for the Standalone Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these Standalone Financial Statements based on our audit.
4. We have taken into account the provisions of the Act, the Accounting and Auditing Standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Financial Statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Financial Statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances, An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Financial Statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Opinion

ANNEXURE B TO THE AUDITORS' REPORT

Referred to in paragraph 10(f) of the Independent Auditors' Report of even date to the members of Sudarshan Chemical Industries Limited on the Standalone Financial Statements for the year ended 31st March 2016.

1. We have audited the internal financial controls over financial reporting of Sudarshan Chemical Industries Limited ("the Company") as of 31st March, 2016 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with Generally Accepted Accounting Principles. A company's internal financial control over financial reporting includes those policies and procedures that
 - a. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - b. provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with Generally Accepted Accounting Principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of Management and Directors of the company; and

- c. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

- 7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

- 8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE NO. 29 : NOTES TO THE FINANCIAL STATEMENTS**1. Significant Accounting Policies :****(i) Basis of Preparation :**

The Financial Statements are prepared in accordance with the Generally Accepted Accounting Principles ("GAAP") in India under the historical cost convention on an accrual basis, and are in conformity with mandatory accounting standards, as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI).

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or where a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(ii) Use of Estimates :

The preparation of Financial Statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

(iii) Fixed Assets :**(a) Tangible Assets :**

Fixed Assets are stated at cost of acquisition along with attributable costs, including related borrowing costs, for bringing the assets to its working condition for its intended use, less accumulated depreciation.

(b) Intangible Assets :

Costs incurred on acquisition, development or enhancement of intangible resources are recognized as intangible assets if these are identifiable, controlled by the Company and it is probable that future economic benefit attributable to the assets would flow to the Company. Intangible assets are stated at cost less accumulated amortization and impairments, if any. Cost includes taxes, duties and other incidental expenses related to acquisition, development and enhancement.

(c) Borrowing costs that are directly attributable to the acquisition or production of a qualifying assets are capitalized as a part of the cost of that asset. Other borrowing costs are recognized as an expense in the period in which they are incurred.

(d) The cost also comprises of exchange differences arising on translation / settlement of long-term foreign currency borrowings pertaining to the acquisition of fixed assets.

(iv) Depreciation :

Depreciation on tangible assets is provided on the straight-line method on pro-rata basis, over the useful lives of assets as prescribed in Schedule – II of the Companies Act, 2013, or as assessed by the Management based on the technical evaluation by an approved valuer.

Assets whose acquisition value is less than Rs. 5,000 are depreciated 100% during the year of acquisition.

Leasehold land is amortised over the lease period.

When significant parts of an item of property, plant and equipment have materially different useful lives, they are accounted for as separate items (major components) of property, plant and equipment based on technical evaluation done by an independent valuer.

Schedule II to the Companies Act, 2013 ("Schedule") prescribes the useful lives for various classes of tangible assets. For certain class of assets, based on the technical evaluation and assessment, the Company believes that the useful lives adopted by it best represent the period over which an asset is expected to be available for use. Accordingly, for these assets, the useful lives estimated by the Company are different from those prescribed in the Schedule.

Useful life of the following asset classes differs from that prescribed by Schedule II :

Asset Class	Useful Life Adopted	Useful Life as per Schedule - II
Plant and Machinery - Other than below	9.20	7.50
Plant and Machinery - SS Vessels / SS Equipments	15.00	7.50
Plant and Machinery - Other than SS Components	7.75	7.50

Intangible assets are amortised on a systematic basis over the best estimate of their useful lives, commencing from the date the asset is available to the Company for its use.

The Management's estimates of the useful lives for various categories of intangible assets are given below:

Asset Class	Years
Goodwill	5.00
Registrations	10.00
Others	9.20

The amortisation period and the amortisation method for intangible assets are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly.

(v) Impairment of Assets :

The carrying amounts of Cash Generating Units / Assets are reviewed at the Balance Sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount is estimated as the higher of net selling price and value in use. Impairment loss is recognized wherever carrying amount exceeds recoverable amount.

(vi) Investments :

Long-term Investments are carried at cost including related expenses, provision for diminution being made, if necessary, to recognize a decline, other than temporary, in the value thereof.

Current investments are valued at lower of cost and fair value.

(vii) Inventories:

Inventories are valued at lower of Cost and Net Realisable Value.

- Raw Materials, Packing Materials, Stores and Consumables are valued at Weighted Average Cost.
- The cost of Finished Goods and Work-in-progress (Semi-finished Goods) is ascertained by Weighted Average of Cost of Raw Material and standard rate of conversion and other related costs for bringing the inventory to the present location and condition.
- Provision is made for obsolete and non-moving items.
- Leasehold Rights are valued at conversion value.

(viii) Research and Development :

Research and Development expenditure of a capital nature is added to Fixed Assets and depreciation is provided thereon. All other expenditure on Research and Development is charged to the Statement of Profit and Loss in the year of incurrence.

(ix) Foreign Currency Transactions :

- (a) Transactions in foreign currencies are recorded at the exchange rates prevailing as on the date of the transaction. Monetary items are translated at the year-end rate. The difference between the rate prevailing as on the date of the transaction and as on the date of settlement and also on translation of monetary items, at the end of the year, is recognised as income or expense, as the case may be.
- (b) In respect of forward exchange contracts, the difference between the forward rate and the exchange rate at the inception of the contract is recognised as income or expense over the period of the contract. Losses on cancellation of forward exchange contracts are recognised as expense.
- (c) The Company has accounted for exchange differences arising on reporting of long-term foreign currency monetary items in accordance with Companies (Accounting Standards) Amendment Rules, 2009 pertaining to Accounting Standard – 11 (AS – 11) notified by Government of India on 31st March, 2009 (as amended on 29th December, 2011).

Accordingly, the effect of exchange differences on foreign currency loans of the Company taken to acquire fixed assets is added to / deducted from the cost of the respective assets.

- (d) Forward contracts entered into by the Company for taking of forecasted exposure are marked to market at the reporting date. Losses (net), if any, are charged to the Statement of Profit and Loss and gains (net) are not recognised.

(x) Derivative Financial Instruments :

The Company uses derivative financial instruments such as Forwards, Swaps and Plain Vanilla Options to hedge its risks associated with foreign exchange fluctuations. Such derivative financial instruments are used as risk management tools and not for speculative purposes, in terms of the Policy duly adopted by the Board.

Derivative financial instruments entered into for hedging foreign exchange risks of recognized foreign currency monetary items are accounted for as per the principles laid down in Accounting Standard – 11 “The effects of changes in Foreign Exchange Rates”.

Interest rate swaps entered into by the Company for hedging are marked to market at the reporting date. Losses (net), if any, are charged to the Statement of Profit and Loss and gains (net) are not recognised.

(xi) Revenue Recognition :

Sale of goods is recognised on dispatches to customers, which coincides with the transfer of significant risks and rewards associated with ownership, inclusive of excise duty and net of trade discount.

Dividend income is accounted for when the right to receive is established.

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Credits on account of Export Incentives are accrued upon completion of export when there is a reasonable certainty of fulfillment of obligations as stipulated under respective export promotion schemes.

(xii) Employee Benefits :**(a) Contribution to provident fund –**

Company's contribution paid / payable during the year to provident fund and labour welfare fund are recognised in the Statement of Profit and Loss.

(b) Gratuity –

The Company provides for gratuity, a defined benefit retirement plan covering all employees. The plan provides for lump sum payments to employees upon death while in employment or on separation from employment after serving for the stipulated period mentioned under 'The Payment of Gratuity Act, 1972'. The Company accounts for liability of future gratuity benefits based on an independent actuarial valuation on projected unit credit method carried out for assessing liability as at the reporting date.

Actuarial gains / losses are immediately taken to the Statement of Profit and Loss and are not deferred.

(c) Superannuation –

The Company makes contribution to the Superannuation scheme, a defined contribution scheme, administered by Life Insurance Corporation of India, which are charged to the Statement of Profit and Loss. The Company has no obligation to the scheme beyond its annual contributions.

(d) Leave encashment / compensated absences / sick leave –

The Company provides for accumulation of compensated absences by certain categories of its employees. These employees can carry forward a portion of the unutilized compensated absences and utilize it in future periods or receive cash in lieu thereof as per Company policy. The Company records an obligation for compensated absences in the period in which the employee renders the services that increases this entitlement. The measurement of such obligation is based on actuarial valuation as at the balance sheet date carried out by a qualified actuary.

(e) Pension –

The Company provides for pension, a defined benefit retirement plan covering eligible employees. The plan provides for monthly pension payments to retired employees or family pension to their eligible family members till such period as stipulated in the Board approved policy. The Company accounts for liability of such future benefits based on an independent actuarial valuation on projected accrued credit method carried out for assessing the liability as on the reporting date.

Actuarial gains / losses are immediately taken to the Statement of Profit and Loss and are not deferred.

(xiii) Taxation :

- (a) Provision for current tax is made, based on the tax payable under the Income Tax Act, 1961. Minimum Alternative Tax (MAT) credit, which is equal to the excess of MAT (calculated in accordance with provisions of Section 115JB of the Income Tax Act, 1961) over normal income-tax, is recognised as an asset by crediting the Statement of Profit and Loss only when and to the extent there is convincing evidence that the Company will be able to avail the said credit against normal tax payable during the period of ten succeeding assessment years.

- (b) Deferred tax on timing differences between taxable income and accounting income is accounted for, using the tax rates and the tax laws enacted or substantively enacted as on the balance sheet date. Deferred tax assets on unabsorbed tax losses and unabsorbed tax depreciation are recognised only when there is a virtual certainty of their realisation.

Other deferred tax assets are recognised only when there is a reasonable certainty of their realisation.

(xiv) Provisions and Contingent Liabilities :

- (a) A provision is recognized when the Company has a present obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.
- (b) A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably.

(xv) Earnings Per Share :

Basic earnings per share is calculated by dividing the net profit / (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit / (loss) for the period after deducting preference dividends and any attributable tax thereto for the period.

The weighted average number of equity shares outstanding during the period and for all periods processed is adjusted for events, such as bonus shares and sub-division, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit / (loss) for the period attributable to equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

(xvi) Cash and Cash Equivalents :

Cash and cash equivalents for the purposes of the Cash Flow Statement comprise of cash at bank, cash in hand and current investments with an original maturity of three months or less.

(xvii) Segment Reporting :

The business segment has been considered as the primary segment for disclosure. The categories included in each of the reported business segments are as follows :

- (i) Pigments
- (ii) Agro Chemicals
- (iii) Others

The Company's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

- (a) Allocation of common costs –
Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.
- (b) Unallocated items –
Unallocated items include general corporate income and expense items which are not allocated to any business segment. Assets and liabilities which relate to the Company as a whole but are not allocable to segments on a reasonable basis, have been included under "Unallocable Assets / Liabilities".
- (c) Segment accounting policies –
The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the Financial Statements of the Company as a whole.

2. Estimated value of contracts in capital account remaining to be executed and not provided for (net of capital advances) – **Rs. 22,471,269** (Previous Year : Rs. 17,196,324).

3. **Contingent liabilities not provided for :**

Claims against the Company not acknowledged as debts

(i) Pending Litigations –

- (a) Excise Duty – **Rs. 27,577,293** (Previous Year : Rs. 20,019,895).
- (b) Income Tax – **Rs. 37,993,200** (Previous Year : Rs. 31,667,195).
- (c) VAT / CST – **Rs. 21,234,745** (Previous Year : Rs. 18,508,939).
- It is not practicable for the Company to estimate the timings of cash outflows, if any, in respect of the above pending resolution of the respective proceedings as it is determinable only on receipt of judgements / decisions pending with various forums / authorities.
- The Company does not expect any reimbursements in respect of the above contingent liabilities.
- The Company's pending litigations comprise of claims against the Company by employees and pertaining to proceedings pending with Income Tax, Excise, Custom, Sales / VAT tax and other authorities. The Company has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required and disclosed as contingent liabilities where applicable, in its Financial Statements. The Company does not expect the outcome of these proceedings to have a materially adverse effect on its financial results.

(ii) Guarantees –

– Corporate Guarantee

- (a) Corporate Guarantee issued on behalf of the wholly owned subsidiary company Sudarshan Europe B.V. – **Euro 3,000,000** (Previous Year : Euro 3,000,000) [Equivalent to **Rs. 227,070,000** (Previous Year : Rs. 204,630,000)].

4. The Company had converted Leasehold Rights of Rs. 498,450,000 into Stock-in-trade in 2010-11 with the intention of commercially developing the underlying Leasehold Land situated at 162 Wellesley Road, Pune 411 001. However, due to several factors, some beyond the control of the Company, this intention could not fructify.

In the mean time the Company also acquired Reversionary Rights in the said land, resulting in full ownership. Presently, the validity of acquisition of Revisionary Rights is sub-judice. In view of the above, the Stock-in-trade of Rs. 498,450,000 as already recognized by creating the corresponding Revaluation Reserve of an identical amount, was reversed, in 2014-15.

Under the circumstances in 2014-15, the Board has decided to reconvert the said land into and to be held as, capital asset at cost of Rs. 71,550,000.

The above had no impact, on the financial results of the Company in the said year.

5. **Acquisition of business undertaking of “Rathi Vessels and Systems Private Limited” on slump sale basis :**

During the Financial Year 2014-15 the Company acquired the going concern business of Rathi Vessels and Systems Private Limited on slump sale basis with the effective date of 1st October, 2014. Correspondingly, all assets and liabilities of this business as on the said effective date stood transferred to the Company and were included in the Financial Statements under the respective heads of accounts.

SUDARSHAN CHEMICAL INDUSTRIES LIMITED

Consolidated Financial Statements for the Financial Year 2015-16

INDEPENDENT AUDITOR'S REPORT

To the Members of Sudarshan Chemical Industries Limited

Report on the Consolidated Financial Statements

1. We have audited the accompanying Consolidated Financial Statements of Sudarshan Chemical Industries Limited ("the Holding Company") and its subsidiaries ("the Holding Company and its subsidiaries are referred to as "the Group"), comprising of the Consolidated Balance Sheet as at 31st March, 2016, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

Management's Responsibility for the Consolidated Financial Statements

2. The Holding Company's Board of Directors is responsible for the preparation of these Consolidated Financial Statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). The respective Board of Directors of the companies included in the group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Company, as aforesaid.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these Consolidated Financial Statements based on our audit.
4. We have taken into account the provisions of the Act, the Accounting and Auditing Standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Financial Statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the Consolidated Financial Statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the Consolidated Financial Statements.
7. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at 31st March, 2016, and their consolidated profit and their consolidated cash flows for the year ended on that date.

ANNEXURE TO THE AUDITOR'S REPORT

Referred to in paragraph 10(f) of the Independent Auditors' Report of even date to the members of Sudarshan Chemical Industries Limited on the consolidated financial statements for the year ended 31st March 2016.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. In conjunction with our audit of the Consolidated Financial Statements of the Sudarshan Chemical Industries Limited as of and for the ended 31st March, 2016, we have audited the internal financial controls over financial reporting of Sudarshan Chemical Industries Limited (hereinafter referred to as "the Holding Company"), and its two subsidiary companies incorporated in India ("Indian Subsidiary Companies") as of that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the of the Holding Company and its Indian subsidiaries, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with Generally Accepted Accounting Principles. A company's internal financial control over financial reporting includes those policies and procedures that

- a. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b. provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with Generally Accepted Accounting Principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of Management and Directors of the company; and
- c. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company and its Indian Subsidiary Companies, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2016, based on the internal control over financial reporting criteria established by the Holding Company, Subsidiary Companies in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

9. Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to the subsidiaries, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies.

NOTE NO. 29 : NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**1. Significant Accounting Policies :****(i) Basis of Preparation :**

The Consolidated Financial Statements are prepared in accordance with the Generally Accepted Accounting Principles ("GAAP") in India under the historical cost convention on an accrual basis, and are in conformity with mandatory accounting standards, as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI).

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or where a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(ii) Use of Estimates :

The preparation of the Consolidated Financial Statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

(iii) Fixed Assets :**(a) Tangible Assets :**

Fixed Assets are stated at cost of acquisition along with attributable costs, including related borrowing costs, for bringing the assets to its working condition for its intended use, less accumulated depreciation.

(b) Intangible Assets :

Costs incurred on acquisition, development or enhancement of intangible resources are recognized as intangible assets if these are identifiable, controlled by the Company and it is probable that future economic benefit attributable to the assets would flow to the Company. Intangible assets are stated at cost less accumulated amortization and impairments, if any. Cost includes taxes, duties and other incidental expenses related to acquisition, development and enhancement.

(c) Borrowing costs that are directly attributable to the acquisition or production of a qualifying assets are capitalized as a part of the cost of that asset. Other borrowing costs are recognized as an expense in the period in which they are incurred.

(d) The cost also comprises of exchange differences arising on translation / settlement of long-term foreign currency borrowings pertaining to the acquisition of fixed assets.

(iv) Depreciation :

Depreciation on tangible assets is provided on the straight-line method on pro-rata basis, over the useful lives of assets as prescribed in Schedule – II of the Companies Act, 2013, or as assessed by the Management based on the technical evaluation by an approved valuer.

Assets whose acquisition value is less than Rs. 5,000 are depreciated 100% during the year of acquisition.

Leasehold land is amortised over the lease period.

When significant parts of an item of property, plant and equipment have materially different useful lives, they are accounted for as separate items (major components) of property, plant and equipment based on technical evaluation done by an independent valuer.

Schedule II to the Companies Act, 2013 ("Schedule") prescribes the useful lives for various classes of tangible assets. For certain class of assets, based on the technical evaluation and assessment, the Company believes that the useful lives adopted by it best represent the period over which an asset is expected to be available for use. Accordingly, for these assets, the useful lives estimated by the Company are different from those prescribed in the Schedule.

Useful life of the following asset classes differs from that prescribed by Schedule II :

Asset Class	Useful Life Adopted	Useful Life as per Schedule - II
Plant and Machinery - Other than below	9.20	7.50
Plant and Machinery - SS Vessels / SS Equipments	15.00	7.50
Plant and Machinery - Other than SS Components	7.75	7.50

Intangible assets are amortised on a systematic basis over the best estimate of their useful lives, commencing from the date the asset is available to the Company for its use.

The Management's estimates of the useful lives for various categories of intangible assets are given below:

Asset Class	Years
Goodwill	5.00
Registrations	10.00
Others	9.20

The amortisation period and the amortisation method for intangible assets are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly.

(v) Impairment of Assets :

The carrying amounts of Cash Generating Units / Assets are reviewed at the Balance Sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount is estimated as the higher of net selling price and value in use. Impairment loss is recognized wherever carrying amount exceeds recoverable amount.

(vi) Investments :

Long-term Investments are carried at cost including related expenses, provision for diminution being made, if necessary, to recognize a decline, other than temporary, in the value thereof.

Current investments are valued at lower of cost and fair value.

(vii) Inventories :

Inventories are valued at lower of Cost and Net Realisable Value.

- Raw Materials, Packing Materials, Stores and Consumables are valued at Weighted Average Cost.
- The cost of Finished Goods and Work-in-progress (Semi-finished Goods) is ascertained by Weighted Average of Cost of Raw Material and standard rate of conversion and other related costs for bringing the inventory to the present location and condition.
- Provision is made for obsolete and non-moving items.
- Leasehold Rights are valued at conversion value.

(viii) Research and Development :

Research and Development expenditure of a capital nature is added to Fixed Assets and depreciation is provided thereon. All other expenditure on Research and Development is charged to the Statement of Profit and Loss in the year of incurrence.

(ix) Foreign Currency Transactions :

- (a) Transactions in foreign currencies are recorded at the exchange rates prevailing as on the date of the transaction. Monetary items are translated at the year-end rate. The difference between the rate prevailing as on the date of the transaction and as on the date of settlement and also on translation of monetary items, at the end of the year, is recognised as income or expense, as the case may be.
- (b) In respect of forward exchange contracts, the difference between the forward rate and the exchange rate at the inception of the contract is recognised as income or expense over the period of the contract. Losses on cancellation of forward exchange contracts are recognised as expense.
- (c) The Company has accounted for exchange differences arising on reporting of long-term foreign currency monetary items in accordance with Companies (Accounting Standards) Amendment Rules, 2009 pertaining to Accounting Standard – 11 (AS – 11) notified by Government of India on 31st March, 2009 (as amended on 29th December, 2011).

Accordingly, the effect of exchange differences on foreign currency loans of the Company taken to acquire fixed assets is added to / deducted from the cost of the respective assets.

- (d) Forward contracts entered into by the Company for taking of forecasted exposure are marked to market at the reporting date. Losses (net), if any, are charged to the Statement of Profit and Loss and gains (net) are not recognised.

(x) Derivative Financial Instruments :

The Company uses derivative financial instruments such as Forwards, Swaps and Plain Vanilla Options to hedge its risks associated with foreign exchange fluctuations. Such derivative financial instruments are used as risk management tools and not for speculative purposes, in terms of the Policy duly adopted by the Board.

Derivative financial instruments entered into for hedging foreign exchange risks of recognized foreign currency monetary items are accounted for as per the principles laid down in Accounting Standard – 11 “The effects of changes in Foreign Exchange Rates”.

Interest rate swaps entered into by the Company for hedging are marked to market at the reporting date. Losses (net), if any, are charged to the Statement of Profit and Loss and gains (net) are not recognised.

(xi) Revenue Recognition :

Sale of goods is recognised on dispatches to customers, which coincides with the transfer of significant risks and rewards associated with ownership, inclusive of excise duty and net of trade discount.

Dividend income is accounted for when the right to receive is established.

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Credits on account of Export Incentives are accrued upon completion of export when there is a reasonable certainty of fulfillment of obligations as stipulated under respective export promotion schemes.

(xii) Employee Benefits :**(a) Contribution to provident fund –**

Company's contribution paid / payable during the year to provident fund and labour welfare fund are recognised in the Statement of Profit and Loss.

(b) Gratuity –

The Company provides for gratuity, a defined benefit retirement plan covering all employees. The plan provides for lump sum payments to employees upon death while in employment or on separation from employment after serving for the stipulated period mentioned under 'The Payment of Gratuity Act, 1972'. The Company accounts for liability of future gratuity benefits based on an independent actuarial valuation on projected unit credit method carried out for assessing liability as at the reporting date.

Actuarial gains/losses are immediately taken to the Statement of Profit and Loss and are not deferred.

(c) Superannuation –

The Company makes contribution to the Superannuation scheme, a defined contribution scheme, administered by Life Insurance Corporation of India, which are charged to the Statement of Profit and Loss. The Company has no obligation to the scheme beyond its annual contributions.

(d) Leave encashment / compensated absences / sick leave –

The Company provides for accumulation of compensated absences by certain categories of its employees. These employees can carry forward a portion of the unutilized compensated absences and utilize it in future periods or receive cash in lieu thereof as per Company policy. The Company records an obligation for compensated absences in the period in which the employee renders the services that increases this entitlement. The measurement of such obligation is based on actuarial valuation as at the balance sheet date carried out by a qualified actuary.

(e) Pension –

The Company provides for pension, a defined benefit retirement plan covering eligible employees. The plan provides for monthly pension payments to retired employees or family pension to their eligible family members till such period as stipulated in the Board approved policy. The Company accounts for liability of such future benefits based on an independent actuarial valuation on projected accrued credit method carried out for assessing the liability as on the reporting date.

Actuarial gains / losses are immediately taken to the Statement of Profit and Loss and are not deferred.

(xiii) Taxation :

(a) Provision for current tax is made, based on the tax payable under the Income Tax Act, 1961. Minimum Alternative Tax (MAT) credit, which is equal to the excess of MAT (calculated in accordance with provisions of Section 115JB of the Income Tax Act, 1961) over normal income-tax, is recognised as an asset by crediting the Statement of Profit and Loss only when and to the extent there is convincing evidence that the Company will be able to avail the said credit against normal tax payable during the period of ten succeeding assessment years.

(b) Deferred tax on timing differences between taxable income and accounting income is accounted for, using the tax rates and the tax laws enacted or substantively enacted as on the balance sheet date. Deferred tax assets on unabsorbed tax losses and unabsorbed tax depreciation are recognised only when there is a virtual certainty of their realisation.

Other deferred tax assets are recognised only when there is a reasonable certainty of their realisation.

(xiv) Provisions and Contingent Liabilities :

- (a) A provision is recognized when the Company has a present obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.
- (b) A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably.

(xv) Earnings Per Share :

Basic earnings per share is calculated by dividing the net profit / (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit / (loss) for the period after deducting preference dividends and any attributable tax thereto for the period.

The weighted average number of equity shares outstanding during the period and for all periods processed is adjusted for events, such as bonus and shares sub-division, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit / (loss) for the period attributable to equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

(xvi) Cash and Cash Equivalents :

Cash and cash equivalents for the purposes of the Cash Flow Statement comprise of cash at bank, cash in hand and current investments with an original maturity of three months or less.

(xvii) Segment Reporting :

The business segment has been considered as the primary segment for disclosure. The categories included in each of the reported business segments are as follows :

- (i) Pigments
- (ii) Agro Chemicals
- (iii) Others

The Company's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

- (a) Allocation of common costs –
Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.
- (b) Unallocated items –
Unallocated items include general corporate income and expense items which are not allocated to any business segment. Assets and liabilities which relate to the Company as a whole but are not allocable to segments on a reasonable basis, have been included under "Unallocable Assets / Liabilities".

(c) Segment accounting policies –

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the Consolidated Financial Statements of the Company as a whole.

2. Principles of Consolidation :

- (A) The Consolidated Financial Statements are based on the audited Financial Statements of the Subsidiaries.
- (B) The Financial Statements of the Holding Company and Subsidiaries have been combined to the extent possible on a line by line basis by adding together like items of assets, liabilities, income and expenses. All significant intra-group balances and transactions have been eliminated on consolidation.
- (C) The Consolidated Financial Statements have been prepared using uniform accounting policies for the transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Parent Company's Financial Statements.
- (D) Goodwill arising on consolidation represents the excess of the cost of acquisition over the Group's interest in the value of the assets and liabilities of a subsidiary or associate at the date of acquisition. Goodwill is amortized proportionately over a period of 5 years.

6. The Company had converted Leasehold Rights of Rs. 498,450,000 into Stock-in-trade in 2010-11 with the intention of commercially developing the underlying Leasehold Land situated at 162 Wellesley Road, Pune 411 001. However, due to several factors, some beyond the control of the Company, this intention could not fructify.
In the mean time the Company also acquired Reversionary Rights in the said land, resulting in full ownership. Presently, the validity of acquisition of Revisionary Rights is sub-judice. In view of the above, the Stock-in-trade of Rs. 498,450,000 as already recognized by creating the corresponding Revaluation Reserve of an identical amount, was reversed, in 2014-15.
Under the circumstances in 2014-15, the Board has decided to reconvert the said land into and to be held as, capital asset at cost of Rs. 71,550,000.
The above had no impact, on the financial results of the Company in the said year.
7. **Acquisition of business undertaking of “Rathi Vessels and Systems Private Limited” on slump sale basis:**
During the Financial Year 2014-15 the Company acquired the going concern business of Rathi Vessels and Systems Private Limited on slump sale basis with the effective date of 1st October, 2014. Correspondingly, all assets and liabilities of this business as on the said effective date stood transferred to the Company and were included in the Financial Statements under the respective heads of accounts.
