

Integrated Management System Policy

At Sudarshan, we are committed to achieving exceptional and sustainable results by:

- Building Customer Intimacy
- Delivering quality products and services at optimum cost through:
 - Continuous improvement
 - Analytical thinking and data-based approach and efficient use of resources
- Providing systems to set and review objectives and targets
- Empowering our employees at all levels
- Contributing to a green, safe, and healthy environment through:
 - Identifying and minimizing impact and risk to the environment and employees' health and safety
 - Complying with all applicable legislations
- Establishing World Class Practices by reviewing and adopting National / International Standards and Best Practices.

A handwritten signature in blue ink, appearing to read 'Rajesh B Rathi', is positioned above the printed name.
